

Up to one million older people in the UK are harmed, abused and neglected every year by people they thought they could trust.

## Elder abuse happens in every community.

### Jewish Community Information Evenings

FREE events for people from across the community, especially people with responsibility for safeguarding or welfare from synagogues and other communal organisations.

A panel of speakers will include representatives from Jewish Care, Jewish Women's Aid and Action on Elder Abuse.

Elder Abuse information evenings will be held on:

- Thursday 14 March in Redbridge
- Monday 8 April in Golders Green
- Wednesday 1 May in Hertfordshire

The same event is being held in three different locations. You only need to attend one event.

Events will take place from 7.30-9pm.
