Schools

As you know during the year, I have been doing activity with the Jewish schools, with Clore Tikva, King Solomon, Jcross and Ilford Jewish primary school, for me, this activity is one of my highlights.

This week I finished teaching at the IJPS and realized that they were in the process of raising funds for the Jewish department at the school. I attach the link here

Next year's ideas

Because we are keeping up with the film Productions in Israel, I would be happy to know from you, do you want to see next year's a classic Israeli film?

In addition next year I want to do a cultural evening that focuses on Israeli food (Shakshuka evening, Hummus evening and more) if you have any other things you would like to learn about Israel, please do contact me so I can look into them for next year.
