**B'YACHAD**

## INFORMATION

- B'yachad, meaning "Together", is a monthly kids event jointly hosted by the Redbridge progressive synagogues on the final saturday of the month.
- Usually we will hold an earlier session (4.30-6.30pm) for younger kids (aged 7-11) and a later one (6pm-8.30pm) for teens (aged 11-15), except in Feb 2020 when we hold the Kids session only and there is no teens session.
- The idea of the sessions is for kids from our 3 progressive synagogues to meet and to hang out together as Shabbat finishes and we start the new week. The kids will be with old friends, make new ones, and have lots of fun within our shul spaces.
- There will be a mixture of structured activities, hangout time and free choice including games, bake-off, ping-pong, pool and others.
- Both groups will be together for refreshments and havdalah with Student Rabbi Tali Artman from 6-6.30pm.
- Sessions will be organised and run by Student Rabbi Tali and youth leaders from each of our 3 communities.
- Sessions cost £5 per child which is payable on the door. Please rsvp as below to let us know you are coming.
